

# CCS Newsletter: March 2021

Keeping you informed of what's happened and what's upcoming in our Early Years

## FEBRUARY REVIEW

### All About Me!

We have been thinking about where fruit comes from and linking this learning to our families and where we come from.

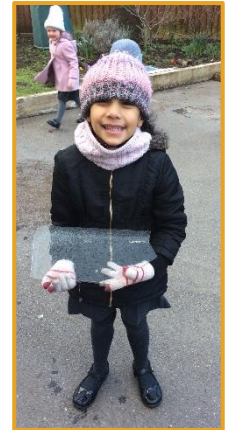

We have created a world map in the corridor and would like to include your family photos with a short comment about where in the world your family is from and what language(s) you speak. We have received some photographs already, and it would be great to add more.

### Exploring!

The cold weather was great for exploring outdoors and finding out what happens when the temperature really drops.

We became scientists and looked at the changes that happen when water becomes ice and how long it takes for ice to become water again.

### Discovery!

Discovery time brought together team work, lots of tower building, measuring how tall the towers became and critical thinking to overcome difficulties.

The children showed the determination to succeed in their goal by persevering, changing and adapting.

Laying Foundations for Life's Journey

## FEBRUARY REVIEW CONT...

### Let's Get Messy!

The children had great fun thinking about different colours and what happens when two or more colours are mixed together (cause and effect).

### Numeracy!

During our investigation of numbers, the reception children have been thinking about different ways of making 10.

### Welcome!

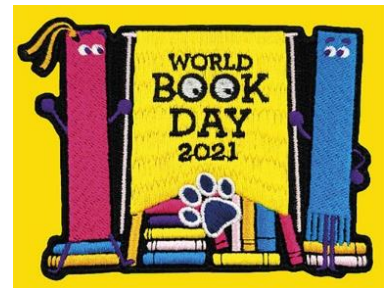

Welcome to our new friends Ayomide and Jadesola, both of whom are having lots of fun in nursery. Welcome back to Darcy – it is so good to see you again.

## OTHER

### World Book Day – Thursday 4 March

We're pleased to be taking part in World Book Day again this year, promoting a love of books and shared reading.

Please send your child to school as their favourite book character (or in fancy dress). We're going to have a lot of fun!

Thank you to the parents who paid their class contribution last term.

This term we will be buying seeds to plant and would be grateful to receive your £1.50 for this term.
