NOVEMBER REVIEW

We're Going on a Bear Hunt

Our focus story during November has been 'We're Going on a Bear Hunt'.

The children have loved reading the book and going on lots of different hunts. One such hunt saw them embarking on a 'tree hunt' from which they discovered lots of different trees in our setting.

Autumnal Vegetables

As we've been saying goodbye to Autumn, the children have been investigating pumpkins and squash.

Once their investigations were over, we took the vegetables to a wooded area for the woodland creatures to feast upon.

Winter Wonders

In welcoming Winter, we have been learning about this cold season.

The children wanted to explore ice, so we added salt and food colouring to blocks of ice to see what would happen. They enjoyed watching the effects and listening to it crackle.

NOVEMBER REVIEW CONT...

Remembering...

An important part of the month involved the children learning about the men and women who fought so courageously for the freedom of our country.

They painted poppies as a symbol of remembrance and gratitude, and they joined the nation in the two-minute silence on the eleventh.
